I can see no reason that the brother of the killer of Mr. K is out of this (not involved). I suppose he bought the pistol. How can he assure that he did not buy it with this intention since Sirhan B used it shooting blanks (target practice). I hope to read something in the newspaper about this matter. Thanks and may God bless you.

para quien es mi Condato  
es un razon por que el hermano de  
el matador de Mr K. se esta afuera

sobre este asunto gracias y  
que Dios lo bendiga
