1 San Gabriel Gun Club range?

2 A Well, I don't really know what time, sir, or
3 what time I left home, because on my way to the range I
4 stopped by a gun shop to buy some ammo.

5 Q What gun shop did you stop at?

6 A That was the East Pasadena Firearms Company.

7 Q And there is something in evidence that you
8 saw there that day, and that is a receipt, I think, for
9 what you bought?

10 A No, that was a different place.

11 Q All right. You are paying more attention than
12 I am.

13 A Yes.

14 Q All right.

15 A I went down to Denny's Restaurant which was
16 a block down between two places, and I stayed there for
17 about ten or fifteen minutes for a cup of coffee and then
18 I proceeded to go to the San Gabriel Gun Club.

19 Q Well, now, you stopped to buy some ammunition.
20 Where did you buy that ammunition?

21 A I said from the East Pasadena Firearms.

22 Q And now you stopped at the East Pasadena
23 Firearms Company?

24 A Yes.

25 Q Now, at the time you stopped there, did you have
26

gentle

any ammunition with you?

2 A Yes.

3 Q What ammunition did you have?

4 A I had a box of Mini-mags, a box of Federal
5 Long Rifle .22 ammos and I had a box of, I don't remember
6 the exact name of it, but it has an X brand on it.

7 Q Now, let us go back. When did you purchase the
8 Mini-mags?

9 A Well, the Mini-mags I had bought either on
10 Sunday or the Saturday before, I am not sure what day now
11 that I had made that purchase. As I was coming from the
12 Corona Police Range, I stopped by that Lock, Stock 'N
13 Barrel and bought some ammo there.

Q Wait a minute. What did you buy there?

15 A When I went in there I asked for the Federal,
16 as that was my favorite brand. The salesman, the one that
17 testified here, told me that they did not have Federal
18 ammo, Federal Long Rifle .22.

19 Q That would be the 1st or the 2nd of June?

20 A Yes, sir.

21 Q All right.

22 A I said, "Well, give me your best," and that
23 is when he pulled out this Mini-mag.

24 Q Had you ever used Mini-mag?

25 A I had never used any Mini-mag before.

26 Q Did you buy some Mini-mag for some specific

purpose?

A No, sir, none at all, and he said that they were, well, with the idea, what I implied; well, I wanted the best and that would be what I thought would be the safest kind of ammo.

Q For your purpose.

A For my purpose, right, so I said that I had tried both and he showed me a lighter brand with that X. The X brand cost ninety cents, I think; the Mini-mags cost a buck apiece.

Q Ten cents more?

A Yes, sir. I bought those.

Q Now, how many did you buy, do you remember?

A Just one box of each, sir. Of each brand of those, because I wanted to try them. I was not familiar with them.

Q Now, on the 4th you bought some more ammunition, is that right?

A Yes, sir, I did.

Q Do you remember how many boxes you bought on the 4th?

A Well, at East Pasadena, that store, they had a big sale on, on this Federal Long Rifle .22 bullets.

Q Seventy-five cents?

A Seventy-five cents a carton.

Q How many of those did you buy?
