Heaving Franscript 9-14-1975 re Serban ex hibres

being accurate or in some way misleading, or not portraying what happened. I would ask the court to just make it a part of the record.

MR. LYNCH: Object to that, your Honor. It only tells one small part of what happened; it is directed to a narrow issue. A great many things happened to these exhibits.

THE COURT: Why don't you discuss this at a recess or some other time.

MR. BOZANICH: No further questions of Mr. Coleman.

THE COURT: Any other questions of Mr. Coleman?

(No response.)

THE COURT: You may step down, Mr. Coleman. As far as the court is concerned the witness is excused.

the foundation is sufficient and that the material that is here in the courtroom in the box and in the wrapping are the exhibits in the Sirhan case and as referred to in the proposed order.

MR. BOZANICH: Your Honor, keeping in mind the court's priorities, the People nevertheless lodge an objection for the record that at least 1968 through '73 was not covered and because of that we feel those witnesses should come forward to provide foundational aspects.

THE COURT: Well, the witness is the custodian in charge and they are official records of the court and I think the court is entitled to consider that. The objection is overruled.

Now, the next matter has to do with Mr. Wolfer.
