BY C. N. DeL... DEPUTY

For, C. N. DeL... DEPUTY, put his thoughts into words is a difficult task if you were to remember that that person is a troglodyte who is therefore more psychically inclined than his urban contemporary.

America will soon face a downfall so abysmal, that she will never recover from it. This statement is based on several observations and incidents that the writer experienced.

The American politician leads his people through any course that he wants them to - this is possible because the people ~~to~~ lack the initiative, ~~or~~ are indifferent to the actions of their leaders. Their leaders say: you have the right to speak against your govt, to and suggest its changes - but remember - though Democratic means Only - if otherwise we will blast the hell out of you - and besides, you wouldn't want to do anything like that, it is stupid, costly and wasteful. Just let us run the country hire our relatives to work for us - and earn fat checks -

We know what a

We will keep busy here working

all what we really want to do is

Well, my solution to this type of  
government that is to do away  
with its leaders - and declare  
anarchy the best form of govt - or no

A Declaration of War Against America Humanity  
when in the course of human events  
it has become necessary for me to  
oppose and seek revenge for all the  
inhuman treatment ~~that I have~~  
~~received~~ by those who committed  
it against me by the American people.

the manifestation of this Declaration will  
be manifested by its purport (1)  
as soon as he is able to command  
a sum of money (\$2,000) and to  
acquire some firearms the specifications  
of which have not been established  
yet.

The victims of the party in favor  
of this declaration will be or are  
now - the President, vice,  
etc - down the ladder.

The time will be chosen by the  
author at the convenience of the  
accused.

the method of assault is immaterial  
- however the type of  
weapon used, would influence  
it somewhat.

The ~~to~~ author believes that many in fact multitudes of people are in harmony with his thoughts and feelings

The conflict and violence in the world subsequent to the ~~en~~ enforcement of this Decree, shall not be considered lightly by the ~~author~~ author of this memorandum, rather he hopes that they be the initiatory military steps to WWII - The author expresses his wishes very bluntly that he wants to be recorded by history as the man who triggered off the last war!!
